

Preqin Industry News: H1 2013 Round-Up

[Ignatius Fogarty](#) looks at some of the largest investor commitments of H1 2013 and the funds that have successfully exceeded their fundraising targets.

There were several large investor commitments in H1 2013:

[CPP Investment Board](#) committed €750mn to [CVC Private Equity Partners VI](#), which closed in July having raised €10.5bn, above its initial fundraising target of €9bn. It invests in Western European mid-market companies with an enterprise value of between €500mn and €5bn.

[Washington State Investment Board](#) committed \$750mn to [Warburg Pincus Private Equity XI](#), managed by [Warburg Pincus](#), which closed on \$11.2bn. WSIB has a current allocation to private equity of 23.6% of total assets, which is below its 25% target allocation to the asset class.

[Texas Permanent School Fund State Board of Education](#) (SBOE) hired [Neuberger Berman](#) for a \$900mn separate account – [Neuberger Berman/Texas Permanent School Fund II](#). As part of this partnership, Neuberger Berman will have discretion over SBOE's co-investment activity and the sovereign wealth fund's investments in private equity funds will be decided by a joint committee of internal SBOE staff Neuberger Berman portfolio managers.

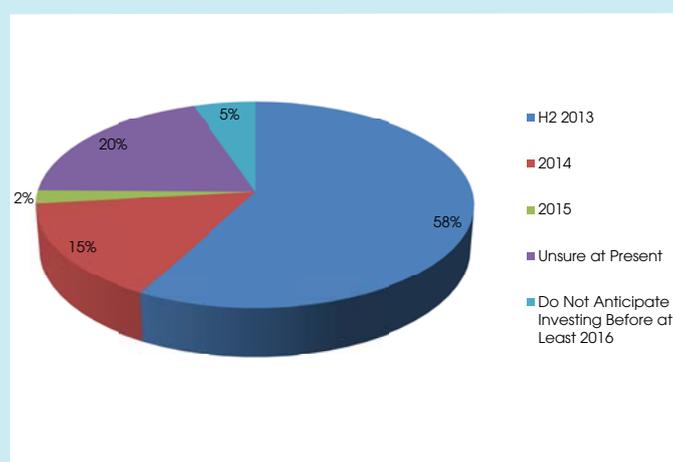

Several landmark funds closed during H1 2013, exceeding their fundraising targets:

[Kohlberg Kravis Roberts](#) (KKR) closed [KKR Asia Fund II](#) in June, raising \$6bn for the largest Asia-focused fund ever, exceeding its initial target of \$4bn. Investors in the fund include [California Public Employees' Retirement System](#) (CalPERS) and [Cathay Life Insurance](#). The fund will be investing in Australia, China, India, Japan and South Korea.

[Highbridge Partners](#) raised the third largest mezzanine fund ever, raising \$4.4bn for [Highbridge Mezzanine Fund II](#), \$1.4bn over its initial target of \$3bn. The fund will be targeting investments of between \$50mn and \$250mn in the securities of companies with

When are investors looking to make their next private equity fund commitment?

Chart of the Month: Timeframe for Next Intended Commitments to Private Equity Funds

Source: Preqin Investor Interviews, June 2013

A significant 58% of investors plan to make their next private equity fund commitment in H2 2013, with an additional 15% planning new commitments in 2014, indicating fundraising may be set for further improvement in the next 12 months.

revenues in excess of \$500mn, primarily in the US and Western Europe. Investors include [Manulife Financial](#), [Chartis](#) and [Unum Provident Corporation](#).

[Riverstone Holdings](#) raised the third largest natural resources fund ever, after securing \$7.7bn for [Riverstone Global Energy and Power Fund V](#), exceeding its initial target of \$6bn. Investors include [Metlife Insurance Company](#) and [State of Wisconsin Investment Board](#). The fund will invest across the globe in oil and gas, energy and power opportunities.
