

# Fundraising in Q2 2013

Laura Duce takes a look at private equity funds closed in Q2 2013 that exceeded their target size, including the top funds to close in the quarter that beat their target.

In terms of aggregate capital raised, Q2 2013 was the strongest quarter for private equity fundraising since Q4 2008, with 154 funds holding a final close securing an aggregate \$122bn. Examining the funds that closed in the quarter, half exceeded their original target size and an additional 14% were able to match their fundraising target.

In terms of fund type, the largest amount of capital was raised by buyout vehicles, garnering an aggregate \$49bn, and with a significant 71% of buyout funds exceeding their targets. The most significant type by number of funds was venture capital, with 48% of the 35 vehicles exceeding their targets, raising a collective \$6.4bn.
